An effort will be made to arrange railroad rates from all points in the State for the occasion, which will be one of the most notable in the history of the Capital.

HYOMEL CURES CATARRH

Its Healing Balsams Kill All Catarrhal Germs—Sold Under Guarantee by Mr. Penny.

There is no more common disease than catarrh, and none that is more dangerous. It weakens and debilitates the whole system, if it is allowed to run, leads to serious, and sometimes to fatal complications.

It is a noteworthy fact that among the many medicines and treatments for catarrh, there is only one which Mr. Penny sells under his positive guarantee to refund the money if it does not cure—Hyomel. Nature's remedy for the cure of catarrh.

No dangerous drugs are taken into the stomach when Hyomel is used. Breathed through the small pocket inhaler that comes with every Hyomel outfit, its healing balsams penetrate to the most remote cells of the throat, nose and lungs, killing the germs of catarrh, healing the irritated mucous membrane, and making complete and lasting cures.

The complete Hyomel outfit, consisting of an inhaler that can be carried in the purse or vest pocket, a medicine dropper, and a bottle of Hyomel, costs only \$1. The inhaler will last a life time, while extra bottles of Hyomel can be procured, whenever needed, for only 50 cents.

Mr. Penny is selling a good many Hyomel outfits at this season, and he has so much confidence in the remedy that he guarantees to refund the money in case it does not cure.

"Tommy, why are you not at your sister's wedding?"

"Cause she's marryin' the wrong man, an' I told 'em I'd sing right out an' tell the preacher so."

"What is the matter with the young man?"

"He yanked me out from under the sofa once an' spanked me!"—Chicago Tribune.

FOR SALE.—A nice large store room and dwelling above, consisting of several nicely furnished rooms. A good barn and lot and all necessary outbuildings. The property is in good repair, situated on Main street in Stanford, Ky., right in the business portion of town. The property will be sold at a bargain and is a splendid opportunity for some one desiring to go in business, for the store and dwelling combined will be a great saving in rent, etc. Possession given immediately. For particulars, etc., see or write L. R. Hughes, Stanford.

Clears the Complexion.

Orino Laxative Fruit Syrup stimulates and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Orino is much superior to pills, aperient waters and all ordinary cathartics as it does not irritate the stomach and bowels. Penny's Drug Store.

Mr. Sainly—Things do not always go as we plan. "Man proposes and"—

Miss Oldemayde—He does, eh? Well, go ahead, sir, and prove that the saying is true.

It will not cost you a cent to try Chamberlain's Stomach and Liver Tablets, and they are excellent for stomach troubles and constipation. Get a free sample at Dr. W. N. Craig's, the popular druggist at Stanford, Ky.

Wild ducks are plentiful and many have been killed on ponds in this vicinity.

The fiscal court is figuring on extensive and much needed improvements on the court house.

The fire in Sweeney's livery stable did very little damage. It caught from a stove pipe between the office ceiling and the floor of an up-stairs room. Some little excitement was created by the horses and mules getting loose and running through the streets.

The case of the Commonwealth against William Ward for killing Henry Patterson last fall was called in the circuit court Monday morning. A special venire of 50 men were summoned from Madison, the order for Jessamine having been changed, and they arrived yesterday morning. The case will consume most of this week.

The funeral of Mrs. Susan Price was conducted at her late home on Danville Ave., by Rev. F. M. Tindler, interment taking place in Lancaster cemetery. She had been ill for some time and while her death was a shock, it was not unexpected. Had Mrs. Price lived until March 20th she would have been 91 years old. Two children survive her, Mrs. Martha Frisbie, of Lancaster, and Mr. W. C. Price, of Danville.

Emory McWhorter bought a horse of Ollie Burne for \$175. Job Marsee sold several loads of corn to J. T. Upton at \$2.25. John Jackson bought a two-year-old filly from Sam Morford for \$130. Lackey has returned to his home in Kansas City, after a few weeks' visit to his parents here. Misses Margaret and Joan Mount will leave the latter part of the week for a visit to friends at La Grange.

The Farris blind tiger law was given a new test in the circuit court by the trial of several parties for hauling beer into Lancaster. This being a local option town, the last grand jury returned several indictments against parties whose teams had been used in hauling liquor from Stanford and Danville. In one case there was a hung jury but in the one against James Cox the jury returned a verdict of \$50 and 10 days in jail. We understand the case will be appealed to test the validity of the law.

The following cases have been disposed of in the circuit court: John Osburn, malicious cutting, \$50; Porter McCreary, shooting on highway, \$50; Lewis Humphrey, furnishing liquor to a minor, \$50; Ed Warren, breach of the peace, \$50; Wm. Percifer, hauling beer into Lancaster, hung jury; Ed Anderson, colored, vagrancy, not guilty. The case of Stewart Humber, who killed another Negro last July, was continued to next court. Judge Bell's charge to the grand jury was especially forcible and impressive. He called their attention to the duties before them and dwelt particularly upon the local option laws, urging a thorough investigation of the illegal sale of liquor.

CORNS CURED.—Corn Exit will positively remove corns in four days. The treatment is simple and pleasant and we absolutely guarantee to refund the money to each and every customer whose corns are not promptly removed with entire satisfaction. Always Keep Chamberlain's Cough Remedy in the House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept on hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by Dr. W. N. Craig, the popular druggist at Stanford, Ky.

Not many years past there was seemingly an irrepressible tidal wave of trade from this locality going each season to neighboring cities. The excuse offered was a want of variety from which to select. Our merchants taking the cue have gradually increased their stocks in every line, which has relieved the cause, and thereby is not only holding the trade at home, but bringing it to our city from those points where ours had been going. Our people are now evidencing a desire to see our city flourish even beyond the fondest hopes of our best citizens by patronizing the home dealers.

E. C. WALTON.

JUDGE ALTON B. PARKER, who also ran for President last election, said in a speech at Charlotte, N. C., that the Democrats of the South should take the leadership of the party. The judge is right. If the party is ever to take its proper place in the affairs of the nation it will only be done by those who are Democrats from principle and do not fly the track every time they do not get exactly what they want.

FRIENDS of State Auditor Sherrick, of Indiana, are appealing to Gov. Hanly to pardon him. He was convicted for embezzling State funds, and as he loaned some of the money to Hanly he will hardly have the heartlessness to let his dupe suffer the humiliation of a penitentiary term.

THE Mt. Vernon Signal is for R. W. Miller, of Madison, for governor. Editor Albright thinks Mr. Miller, who is an avowed anti-administration man, can harmonize all elements of the party. He will kindly give his reasons for so thinking.

The action of the Republican House caucus in Congress is accepted as leaving the fate of the Statehood Bill largely, if not wholly, in the control of Speaker Cannon.

Fifty thousand Indians have signed a petition to Gov. Hanly to pardon ex-State Auditor David E. Sherrick, convicted of embezzling State funds, the amount having been made good.

It is the impression in Washington that the republicans in the Senate will get together and pass a railroad rate bill that will be acceptable to the president and to a majority of their party.

"THE Singin Skule Regiment" to be given this, Tuesday evening, at the opera house will be a very amusing entertainment. It is different from anything ever presented here, and is "chuck full" of fun from beginning to end. It is not all ridiculous, however, especially the music, which is up-to-date and of that lively, catchy character that tickles the ear and makes you feel happy. The characters will all be taken by local talent except one of the leading characters, who will keep the performance moving at such a brisk gait that there are no waits or dry situations during the evening. THE Ladies' Aid Society of the Christian church held a meeting with Mesdames W. P. and C. E. Tate Saturday afternoon and after the routine work was completed the members spent several hours sewing on a carpet which the society will present to the C. W. B. M. college at Morehead. These good women are now engaged in the most laudable enterprise of furnishing a room at that splendid institution of learning.

We have it on good authority that negotiations are under way for a return performance in our city about April 14 by that pleasing musical organization - The Schubert Symphony Club and Lady Quartette of Chicago. Many of our readers have heard this popular company and no doubt everyone knows of the high favor in which its 10 years of success has placed it. The great variety and popular character of this company's program has endeared it to the hearts of American music-lovers, until to-day it stands undoubtedly first in their affections. Their new program is said to be the best they have ever presented, and no doubt their house will be large here if they are secured for an entertainment.

THE Ladies' Aid Society of the Christian church will meet in the lecture room of the church at 2 o'clock Saturday afternoon.

Commissioner's Sale!

Lincoln Circuit Court.

Mrs. P. O. Dunn's heirs, Plffs., vs. Mrs. P. O. Dunn's heirs et al, Defs. Notice of Sale.

Pursuant to a judgment of the Lincoln Circuit Court rendered in the above styled action at the February term 1906, the undersigned commissioner of said court, to-wit: J. L. Beazley, do hereby give notice that he will on Monday, April 9, 1906, between 10 and 12 o'clock P. M., in front of the court house door in Stanford, Ky., sell at public outcry to the highest and best bidder the real estate hereinafter described. The said real estate consists of that tract of land situated in the eastern part of Lincoln county, Ky., which was owned by Mrs. P. O. Dunn, the time of her death. It is bounded on the North by the lands of the heirs of George King, on the south by the land of Samuel Purcell, Alice Williams, Abe Campbell and Amanda Higgins, and on the west by the lands of James Payne.

At the time of her death Mrs. Dunn was indebted in certain sums, and upon reference of the question of her indebtedness to the commissioner it was found and reported by him that her estate was indebted in the sum of \$50.44 and interest on certain portions thereof. Said report was confirmed except as to one claim of \$30 and interest from Sept. 28, 1904, which claim has not yet been adjudicated. The personal estate not being sufficient to pay the aforesaid debts, nor as much as \$50, and the real estate above mentioned not being susceptible of division without material impairment of its value, this sale was ordered by the court for the purpose of paying the debts as above set forth, and distributing the surplus, should there be any after the payment of debts and costs, among the heirs of Mrs. Dunn.

The sale will be made on a credit of six months, and the purchaser will be required to give bond for the purchase price, with approved security, payable to the commissioner and bearing interest at the rate of six per cent. per annum from date of sale until paid; and to secure the same a lien will be retained on the land sold.

It is a pretty dangerous thing to allow your system to get overcrowded with undigested food—poisons, bile poisons, bowel poisons. Get rid of them by taking Dr. Caldwell's (Laxative) Syrup Pepsin, and you will, right away, feel such a wonderful change for the better, that you will never let yourself get into that condition again. Safe and pleasant relief and cure, for headache, constipation, biliousness, etc. Try it. Sold by G. L. Penny, Stanford, and C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

At the time of her death Mrs. Dunn was indebted in certain sums, and upon reference of the question of her indebtedness to the commissioner it was found and reported by him that her estate was indebted in the sum of \$50.44 and interest on certain portions thereof. Said report was confirmed except as to one claim of \$30 and interest from Sept. 28, 1904, which claim has not yet been adjudicated. The personal estate not being sufficient to pay the aforesaid debts, nor as much as \$50, and the real estate above mentioned not being susceptible of division without material impairment of its value, this sale was ordered by the court for the purpose of paying the debts as above set forth, and distributing the surplus, should there be any after the payment of debts and costs, among the heirs of Mrs. Dunn.

The sale will be made on a credit of six months, and the purchaser will be required to give bond for the purchase price, with approved security, payable to the commissioner and bearing interest at the rate of six per cent. per annum from date of sale until paid; and to secure the same a lien will be retained on the land sold.
